## Timeline

○ **April 2022**  
Masai School | Bengaluru

### OVERVIEW

- I joined Masai School in order to pursue my interest in Technology.
- Masai school provides a rigorous training curriculum for 6 months with more than 1400+ hours of coding & DSA.
- Completed Projects in an environment that encouraged Teamwork and collaboration with 100+ hours of soft skills sessions.

### Projects:

🔗 [MyTheresa Clone](#)

- Cloned the front end of a fashion website for my first project, in a team of five.
- Key areas of responsibility included setting the timeline, organising meetings, and gathering & merging different codes for the smooth and complete flow of the website.

🔗 [Spark America Clone](#)

- Lead a team to clone the spark America website
- Key areas of responsibility included setting the timeline, organising meetings, and gathering & merging different codes for the smooth and complete flow of the website.
